

## **Reviews - Olesya Petrova**

### **St. David's Hall, Cardiff, 20 June 2011**

"The velvet richness of Olesya Petrova's mezzo is a voice the operatic world needs more urgently, and both the authenticity of her Rimsky-Korsakov aria and intensely vivid Verdi showed her to be a great prospect."

- *Rian Evans, The Guardian, 20 Jun 2011*

"...Russian mezzo Olesya Petrova sang a wide-ranging programme of Rimsky – Korsakov, Verdi, Mascagni and Bizet which displayed her often beautiful, rich mezzo to the best advantage."

- *Bill Kenny, Seen and Heard, 20 Jun 2011*
